(1) The Westell Technologies, Inc. 2015 Omnibus Incentive Compensation Plan (the "2015 Plan") provides by its terms for the issuance of up to 4,200,000 shares of the registrant's Class A Common Stock, \$.01 par value per share (the "Class A Common Stock"), plus the number of shares of Class A Common Stock reserved for issuance under its 2004 Stock Incentive Plan (the "2004 Plan") that have not been granted or reserved for issuance under any outstanding awards; in addition, if any award granted under the 2004 Plan is canceled, terminates, expires, or lapses for any reason, any shares of Class A Common Stock subject to such award shall again be available for the grant of an award under the 2015 Plan, subject to certain restrictions. Therefore, in addition to the newly reserved 4,200,000 shares of Class A Common Stock noted above, this Registration Statement on Form S-8 also covers 2,210,831 shares of Class A Common Stock that remain available for future issuance under the 2004 Plan and 3,607,302 shares subject to outstanding awards under the 2004 Plan as of September 11, 2015.

The Plan provides for possible adjustment of the number of and class of and/or price of shares subject to outstanding awards, in the event of certain capital or other changes affecting the Class A Common Stock. Thus, in addition to the above stated shares, pursuant to Rule 416(c) under the Securities Act of 1933, this Registration Statement on Form S-8 also covers an indeterminate number of shares of Class A Common Stock that may become subject to the 2015 Plan by means of any such adjustment.

Pursuant to Rule 457(h), estimated solely for the purpose of computing the registration fee, based upon the average of the high and low sales prices of the Registrant's Class A Common Stock on the NASDAQ Global Select Market on September 9, 2015.

#### PART I

Information specified in Part I of Form S-8 (Items 1 and 2) will be sent or given to 2015 Plan participants as specified by Rule 428(b)(1) under the Securities Act of 1933, as amended.

#### PART II

## INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

## Item 3. Incorporation of Documents by Reference.

The following documents filed with the Commission by Westell Technologies, Inc. (the "Registrant") (Commission File No. 0-27266) pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended, are incorporated herein by reference:

- (a) The Registrant's Annual Report on Form 10-K for the fiscal year ended March 31, 2015;
- (b) The Registrant's Quarterly Report on Form 10-Q for the quarter ended June 30, 2015;
- (c) The Registrant's Current Report on Form 8-K dated June 16, 2015; and
- (d) The description of the Registrant's Class A Common Stock contained in its Registration Statement on Form 8-A, and any amendment or report filed with the Commission for the purpose of updating such description.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended, prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference herein and to be a part hereof from the date of the filing of such documents.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes hereof to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part hereof.

## Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law permits corporations to indemnify directors and officers. The statute generally requires that to obtain indemnification the director or officer must have acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation; and, additionally, in criminal proceedings, that the officer or director had no reasonable cause to believe his conduct was unlawful. In any proceeding by or in the right of the corporation, no indemnification may be provided if the director or officer is adjudged liable to the corporation (unless ordered by the court). Indemnification against expenses actually and reasonably incurred by a director or officer is required to the extent that such director or officer is

successful on the merits in the defense of the proceeding. The Registrant's Amended and Restated Certificate of Incorporation and Bylaws provide generally for indemnification, to the fullest extent permitted by Delaware law, of a director and officer who was or is a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "proceeding"), by reason of the fact that he or she is or was a director or officer of the company or was serving at the request of the company as a director, officer, employee or agent of certain other related entities. The Bylaws provide that the indemnification will cover all costs, charges, expenses, liabilities and losses reasonably incurred by the director or officer. The Amended and Restated Certificate of Incorporation and Bylaws further provide that a director or officer has the right to be paid expenses incurred in defending a proceeding in advance of its final disposition upon receipt by us of an undertaking from the director or officer to repay the advances if it is ultimately determined that he or she is not entitled to indemnification.

The Registrant has entered into Indemnification Agreements with its directors and certain officers. The Indemnification Agreements generally provide that the Registrant must promptly advance directors and certain officers all reasonable costs of defending against certain litigation upon request, and must indemnify such director or officer against liabilities incurred in connection with such litigation to the extent that such director or officer is successful on the merits of the proceeding. The advance is subject to repayment under certain circumstances.

The Registrant's directors and officers are also covered by insurance policies indemnifying them (subject to certain limits and exclusions) against certain liabilities.

#### Item 8. Exhibits.

See the Exhibit Index following the Signatures page in this Registration Statement, which Exhibit Index is incorporated herein by reference.

## Item 9. Undertakings.

- (a) The undersigned Registrant hereby undertakes:
- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant

to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

*Provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

. . . .

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

....

(h) Reference is made to the indemnification provisions described in Item 6 of this Registration Statement.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant

will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Re: Westell Technologies, Inc. 2015 Omnibus Incentive Compensation Plan

#### Ladies and Gentlemen:

We are providing this opinion in connection with the registration statement on Form S-8 (the "Registration Statement") to be filed by Westell Technologies, Inc. (the "Company") with the Securities and Exchange Commission (the "Commission") pursuant to the Securities Act of 1933, as amended (the "Securities Act"), with respect to the proposed issuance of up to 4,200,000 shares of the Company's Class A Common Stock, \$.01 par value per share ("Class A Common Stock"), which may be issued pursuant to the Company's 2015 Omnibus Incentive Compensation Plan (the "Plan"), as well as shares of Class A Common Stock from the Company's 2004 Stock Incentive Plan that may become subject to the Plan pursuant to its terms (collectively referred to as, the "Shares").

We have examined: (i) the Registration Statement; (ii) the Company's Amended and Restated Certificate of Incorporation and Bylaws, each as amended to date and as filed as exhibits to the Company's filings with the Commission; (iii) the Plan; (iv) the corporate proceedings relating to adoption of the Plan and the issuance of the Shares pursuant to the Plan; and (v) such other documents and records and matters of law as we have deemed necessary in order to render this opinion. In rendering this opinion, we have relied as to certain factual matters on certificates of officers of the Company and of state officials.

On the basis of the foregoing, we advise you that, in our opinion:

- 1. The Company is a corporation in good standing under the laws of the State of Delaware.
- 2. The Shares to be issued or sold from time to time pursuant to the Plan that are original issuance or treasury shares, including shares bought on the open market or otherwise for purposes of the Plan, when issued as and for the consideration contemplated by

the Registration Statement and the Plan, will be validly issued, fully paid and nonassessable by the Company.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement. In giving our consent, we do not admit that we are "experts" within the meaning of Section 11 of the Securities Act, or that we come within the category of persons whose consent is required by Section 7 of the Securities Act.

Very truly yours,

/s/ Quarles & Brady LLP
